

HEALTH
IS WEALTH

UTILE

The EU-Health Innovation Marketplace

The valorisation platform for Health-related research results

The UTILE platform will provide actors in the life sciences sector with partnering, research, business, and financing opportunities.

Join this marketplace if you are...

...An Innovation Provider

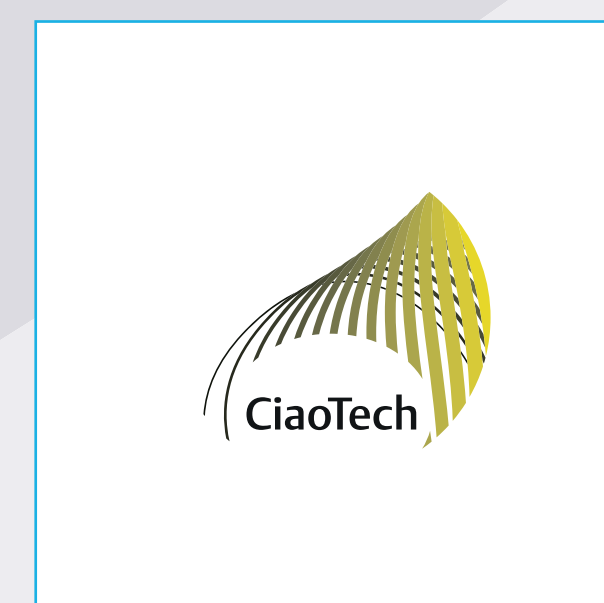

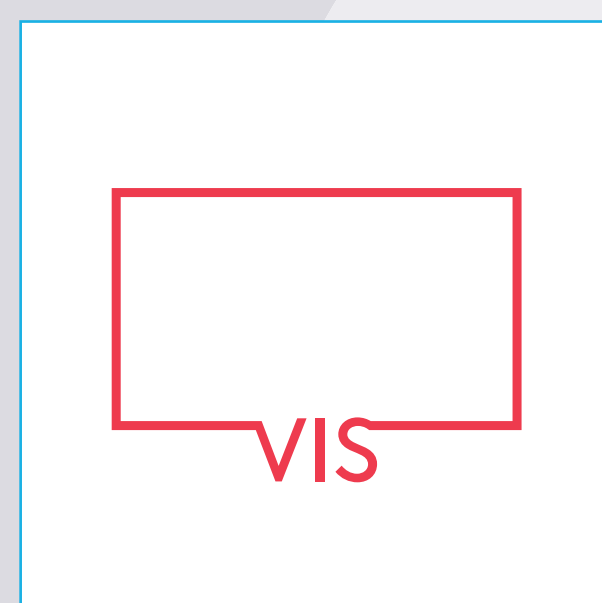

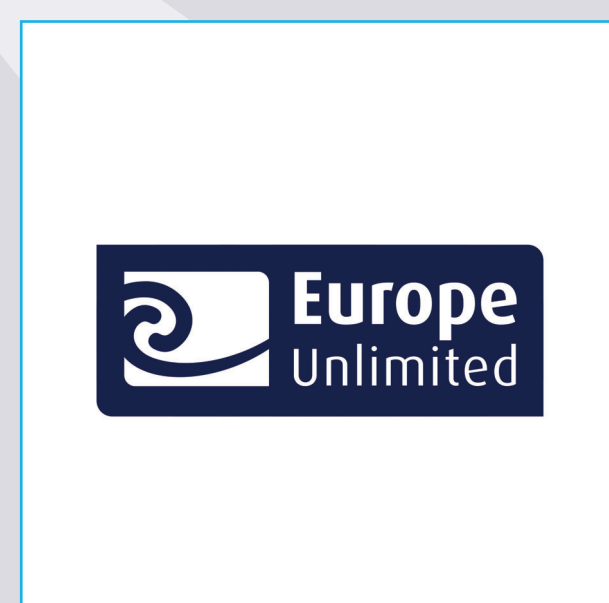

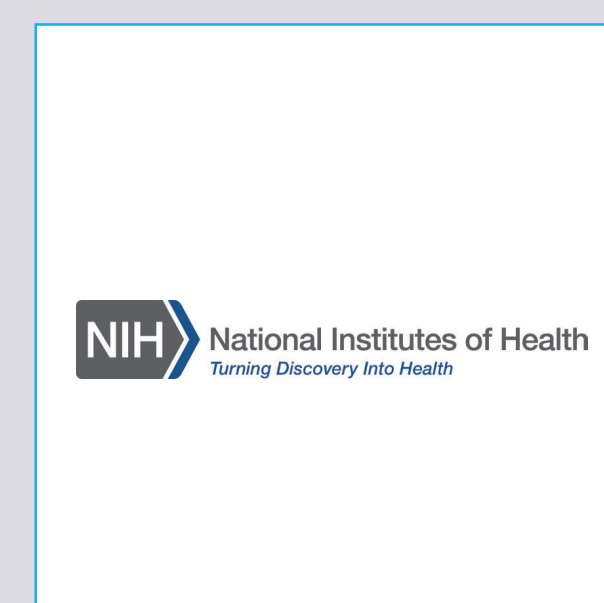

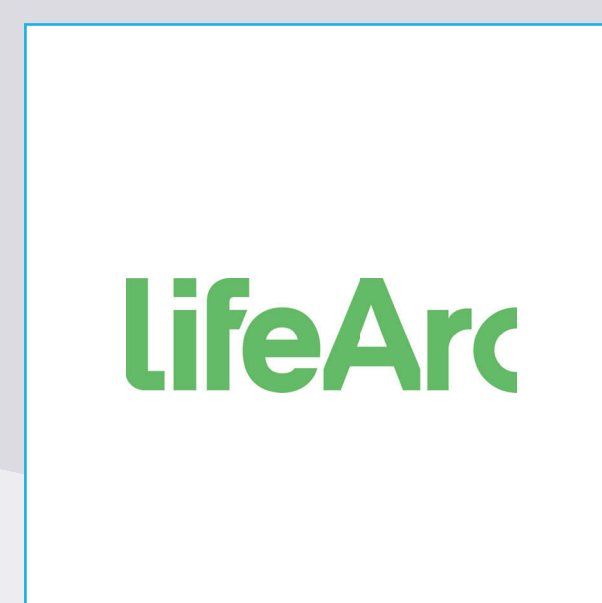

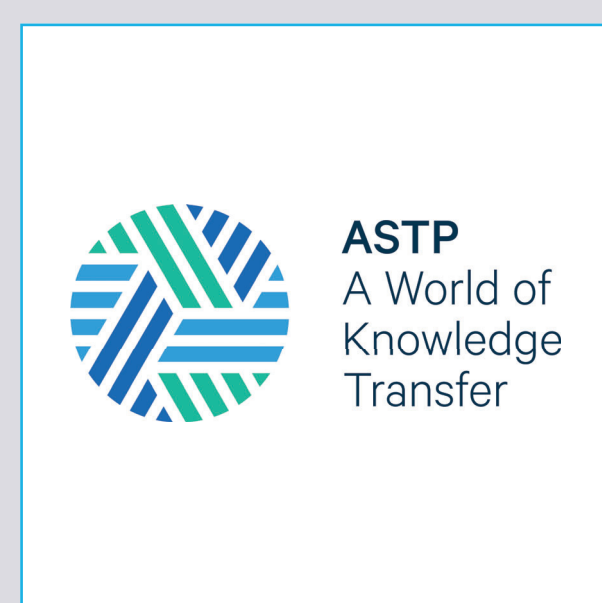

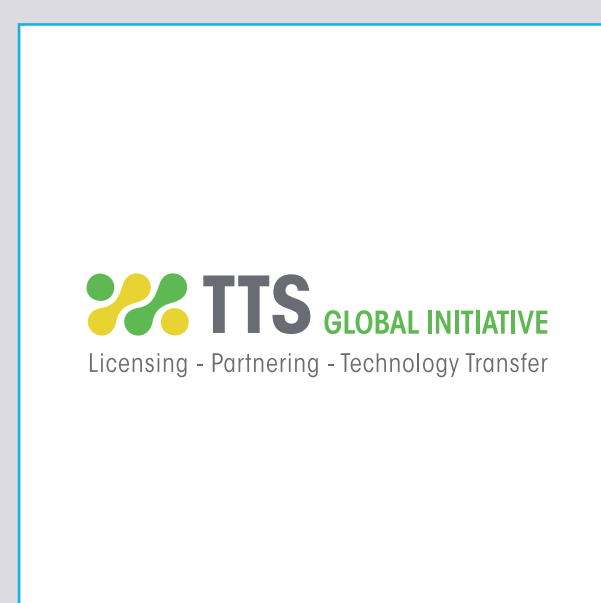

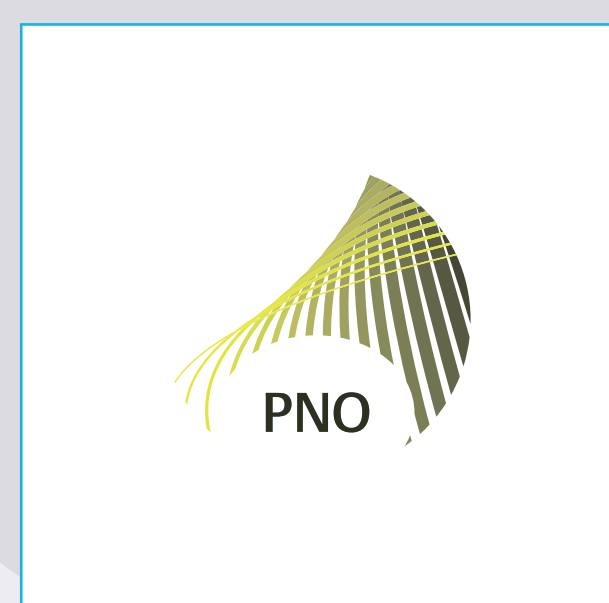

aiming to further develop your innovation and perform the next research or development step(s).

...An Innovation Developer

looking for new business opportunities within the field of life sciences.
